RE: **Support of SB 435**

Dear Senator Pavley:

The members of the California Service Station and Automotive Repair Association (CSSARA) support the enactment of SB 435 for the following reasons:

- 1.) Clean air is everyone's responsibility as it impacts the health of our society.
- 2.) Due to the high cost of gasoline, motorcycle use has increase substantially over the past 5 years and has become a factor in causing harmful emissions.
- 3.) In order for the State to address its commitments under the State Implementation Plan (SIP), motorcycle testing is a necessary and prudent strategy.

Please list CSSARA in support.

Sincerely,

Dennis DeCota
Executive Director
