## ONE MAY ASK WHAT HAS CSSARA DONE FOR ME LATELY?

We have 3 new Endorsed Suppliers of goods and services to CSSARA Members:  
Single Source Insurance & Financial Services is a network of partner firms that are proven industry leaders with sophisticated expertise and resources for CSSARA members. Currently two firms have come together and are partnering their collective talents. Our first is CCI Financial & Insurance Services, the principal Michael H. Vawter. Michael is an experienced insurance broker who will assist you in finding the proper level of insurance at a competitive price. Michael currently works with two other associations helping to coordinate their programs. The second is HR Ideas, LLC, and the principal Deisy Bach. Deisy's area of expertise lies in consulting CSSARA members on an employee handbook and policies, sexual harassment training and investigations, both state and federal employment as well as OSHA compliance, workers compensation management, MSDA, IIPP, and safety plans plus much more. CSSARA Board of Directors ask that you give Deisy or Michael a call and allow Michael to give you a quote on all insurance related issues whether it be your business or personal insurance needs. Deisy will keep you out of trouble with the state and federal regulators. She will evaluate your business practices at no charge and help you avoid costly fines.

CSSARA's third new endorsed supplier is Commercial West Associates, Niko Argeres, real estate broker. Niko writes from his paper "Thinking of selling your station?" With today's complex station issues you may decide it is time to retire or sell your business. If that's the case, call Niko Argeres he is experienced in service station and automotive business brokering.

He can help you! Don't loose your business value due to the oil company putting your station out to bid, call Niko. He can explain how he may help by possibly doing a double escrow.
